- not do anything which might damage the prospects of the claim succeeding.
- tell **us** about any developments affecting the claim.

The arbitrator will be a solicitor, barrister or other suitably qualified person and will be chosen jointly between **you** or the **named driver** and **us**. Section L4 – AXA European

The cover in this section applies in addition to the cover shown in Sections L1, L2 and L3. It will only apply if it is shown on **your** current **policy schedule** and if the premium has been paid.

Please ensure **you** carry **your** V5 registration document with **you** during **your journey**. Regulations are different when **you break down** in Europe and help may take longer to arrive.

General notes relating to Europe

If **you break down** on a European motorway or major road, generally **we** cannot help **you** and **you** will need to get help using the SOS phones. The local services will tow **you** to a place of safety and **you** will have to pay for the service as soon as possible. **You** can then contact **us** if **you** need more help. **We** will pay up to €100 towards the costs, but **we** will only refund claims when **we** have received a valid invoice or receipt. **We** will pay **you** in line with the exchange rate on the date of the claim.

If **you break down** in a European country during a public holiday, many services will be closed. In these circumstances **you** must allow **us** time to help **you** and repair **your car**. **We** will not be held legally responsible for any delays in **you** reaching **your** destination.

L4a - Before travel abroad starts

The benefits shown under section L4d below also apply in the **UK**, as long as **you break down** during **your journey**.

L4b - Help at the roadside and towing in Europe

What is covered

1. If **your car** breaks down, **we** will arrange and pay for a **breakdown** vehicle to come to where **your car** is (for up to one hour) to try to get **your car** working again.

2. If **your car** cannot be made safe to drive at the place **you** have **broken down**, **we** will arrange and pay for **your car**, the driver and up to six passengers to be taken to a suitable local garage (normally within 15 miles) for it to be repaired. **You** must pay the costs of any repairs by credit or debit card.
3. After the theft or attempted theft of **your car** or its contents, **we** will pay the costs of repairing the damage to **your car** or pay for replacement parts up to £200, which are needed for emergency roadside repairs to make **your car** secure.

What is not covered

1. Any amounts for making **your car** secure once **you** have returned to the **UK**.
2. Sending **you home** if **your car** can be repaired but **you** do not have enough money to cover the repair.
3. Anything mentioned in the general exclusions. (Please see section L6.)

Before travelling, it is recommended that **you** consult the laws of the country **you** are planning to visit. Before **you** travel, **you** should make sure that **you** check the documents **you** need to carry by law.

As a guideline, **we** recommend **you** take the following documents in case **you** need them by law in the countries in which **you** might **break down**.

- Photocard driving licence and supporting documents
- Insurance documents
- MOT certificate
- Logbook (V5 registration document)

The above is not a full list and is for guidance only.

L4c - Delivering replacement parts

and pay to have the parts delivered to **you** or an agreed place as quickly as reasonably possible.

2. Any amount for getting parts, if the replacement parts can be bought locally.
3. Anything mentioned in the general exclusions. (Please see section L5.)

L4d - Not being able to use your car

What is covered

If during **your journey your car** breaks down and it is not safe to drive, and it will take at least twenty four hours to repair, or if it is stolen and not recovered within twenty four hours, **we** will arrange and pay for the most appropriate solution from one of the following options:

1. To move **you, your** passengers and **luggage** to where **you** were originally travelling to, and then, once **your car** has been repaired, take **you** back to **your car** or bring **your car** to **you**: or
2. The cost of hiring another car while **your car** is being repaired. **We** will pay up to £70 a day and £750 in total, as long as **you** are able to meet the conditions of the hire car company: or
3. **We** will pay for bed and breakfast costs of up to £60 for each person each day (£500 in total for everyone in **your** group) while **your car** is being repaired, as long as **you** have already paid for **your** original accommodation and **you** can't get **your** money back.

1. The cost of fuel or lubricants **you** use in the hire car.
2. Replacement parts.
3. Any insurance **you** have to pay to the hire car company.

What is covered

1. If, during the **journey**, the driver cannot drive because of an injury or illness, and there is no one else able or qualified to drive **your car**, **we** will provide, and pay for, a driver to finish the **journey** or return **your car** and passengers to the place **you** were originally travelling from. **You** will need to provide a medical certificate for the driver before **we** provide this benefit.

What is not covered

1. Anything mentioned in the general exclusions. (Please see section L5.)

L4f - If you can't use your own car to get home

What is covered

If after a **breakdown your car** is still not repaired or safe to drive when it is time for **you** to go **home**, **we** will pay for suitable transport to get **you, your** passengers and **your luggage** to **your home**, and up to £150 towards other travel costs in the **UK** while **you** wait for **your car**. **We** will also pay storage charges (up to £100) while **your car** is waiting to be repaired, collected or taken to the **UK**.

We will then choose the most appropriate solution from the following options:

1. take **your car** to **your home** or **your** chosen repairer in the **UK** or
2. pay the cost of one rail or sea ticket (or an air ticket if the rail or sea trip would take more than 12 hours) for **you** to go to get **your car** once it has been repaired.

What is not covered

1. Any costs **you** would have paid anyway for travelling **home**.
2. The costs of returning **your car** to the **UK** if **we** believe that the cost of doing so would be greater than the **market value** of **your car** in the **UK**, after the **breakdown**.
3. The costs of returning **your car** to the **UK** if repairs can be done locally and **you** are not willing to allow this to happen.
4. Anything mentioned in the general exclusions. (Please see section L5.)

1. **Your car** must be permanently registered in the UK and, if appropriate, have a current MOT certificate and valid road fund licence/tax disc on display. **Your car** should be kept in a good condition and have been serviced regularly in line with the manufacturer's recommendations.

4. **We** have the right to refuse to provide a service if **you** or **your** passengers are being obstructive in allowing **us** to provide the most appropriate help or if **you** or they are abusive to **our** rescue controllers or **our** recovery operators.
5. **We** will not pay **you** any benefit unless **you** contact **us** using the emergency phone numbers provided. **You** must not try to contact any agent or repairer direct.
6. **You** are responsible for keeping **your car** and its contents safe, unless **you** are not able to or **you** have an arrangement with **us** or **our** agent. **You** must be with **your car** at the time **we** say **we** expect to be there.
7. **You** must quote **your policy** number when **you** call for help and have the relevant documents needed by the repairer, recovery specialist or **our** chosen agent.

20. **We** cannot guarantee that hire cars will always be available and **we** are not responsible if they are not available. **We** will do **our** best to arrange a **car** of the same size as yours, but **we** cannot guarantee that there will be tow bars, bike racks, roof boxes, or other accessories included. **You** must meet the conditions of a hire car company to hire a vehicle.
21. This insurance contract is between **you** and **us**. Any person or company who is not party to this **policy** has no right under the Contracts (Right of Third Parties) Act 1999 to enforce any condition of this **policy**. This does not affect any other rights another organisation has apart from under that Act.
22. If **you**:
 - a) refuse to allow **us** reasonable access to **your car** to provide the services **you** have asked for under this section of **your policy** or if **you** fail to co-operate with **our** representatives;
