

Covéa Insurance Commercial Vehicle

This is a Policy Summary only and does not contain the full terms and conditions of your insurance contract; these can be found in your policy booklet. A copy of the policy booklet is available on request. Significant or unusual exclusions or limitations are referenced to the policy booklet as shown in tabular format at the end of this policy summary.

What is Commercial Vehicle?

It is a commercial vehicle motor insurance product provided by Covea Insurance plc. Your Commercial Vehicle policy is the contract between you and us and includes the policy booklet, the schedule, the certificate of insurance and any endorsements we send to you, as detailed on the first page of the policy booklet.

What does Commercial Vehicle cover me for?

There are two different levels of cover, which are summarised below, with the lowest cover shown first:

- **Third Party Fire & Theft (TPFT)** – if you are involved in an accident, you are covered for damage you cause to other people's vehicles or property or for injuries they sustain, you are also covered for loss or damage to your own vehicle caused by fire or theft.
- **Comprehensive (Comp)** – in addition to the cover provided above, you are also covered for damage your vehicle sustains in an accident and damage caused by vandalism.

Your level of cover is indicated on your schedule.

How long does my Commercial Vehicle contract run for?

Commercial Vehicle is an annual contract. The inception and renewal dates for your policy are shown in your schedule and certificate of insurance. We recommend that you review and update your cover periodically to ensure it remains adequate.

What happens if I change my mind?

If this cover does not meet your needs, please return all your documents within 14 days of receipt – including the Certificate of Insurance. We will refund the premium for the exact number of days left on the policy less an administration charge of £10, unless you have made a total loss claim in which case no refund of the premium will be given and all premiums are due. We will also do this if you want to cancel the policy within 14 days after the renewal date.

Can my Commercial Vehicle contract be cancelled during the year?

The policy may be cancelled mid-term by us, your Broker or other person acting for us:

- If we have a good reason for doing so. Some examples of situations where we would have a good reason for cancelling your policy include you not paying the premium when it is due, not providing documents we ask for (such as proof of no-claims discount or security) or providing us with incorrect information, and failing to put this right when we ask you.

We will do this by sending you seven days' written notice to your last known address (if this happens, we will refund the premium for the exact number of days left on the policy less an administration charge of £35).

The policy may also be cancelled mid-term by you:

- by returning the current Certificate of Insurance to us (if this happens, providing no claim has been made in the current period of insurance, you will be entitled to a refund of premium for the exact number of days left on the policy less an administration charge of £35).

How do I notify a claim under Commercial Vehicle?

Should you wish to make a claim under your Commercial Vehicle policy you should call our Green Light Claims Helpline on 0844 245 0245. This number is open 24 hours a day, 365 days a year. It is a condition of your policy that you must report incidents to us as soon as possible and in any case within 48 hours. You must tell us immediately if there is to be a prosecution, inquest or other court proceedings as a result of the incident. You must not admit liability, settle, reject, negotiate or agree to pay any claim without our written permission and must send us any letters you receive from other people involved in the incident immediately without answering them.

Motor Insurance Database (MID)

Information relating to your insurance policy will be added to the Motor Insurance Database (MID), managed by the Motor Insurers' Bureau (MIB). The police, the DVLA, the DVA, the Insurance Fraud Bureau and certain other authorised organisations may use the MID and the information stored on it for purposes including:

- electronic licensing;
- continuous insurance enforcement (to reduce the number of people driving without insurance);
- enforcing the law (preventing, detecting, cautioning or prosecuting offenders); and
- providing government services or other services aimed at reducing the number of uninsured drivers.

If you are involved in a road traffic accident (either in the UK, the EEA or certain other territories), insurers and the MIB may search the MID for relevant information.

People (including citizens of other countries) making an insurance claim following a road traffic accident (and their appointed representatives) may also get relevant information which is held on the MID. You can find out more about this from us, or at www.mib.org.uk.
