- provide a full refund if the period of insurance has not yet started.
- refund the premium for the exact number of days left in the current period of insurance if no claim has been made in the current period of insurance. If cancellation occurs in the first period of insurance we will also deduct an administration charge of £24 plus Insurance Premium Tax at the rate that applies at that time.

**For cancellations after the 14 day period described above has passed, we will:**

- refund the premium for the exact number of days left in the current period of insurance if no claims have been made in the current period of insurance. - not refund any part of the premium if a claim has been made in the current period of insurance.

If you have a Loan Agreement with Covéa Insurance to pay for your insurance, we may deduct the full outstanding balance of this Loan from your claims settlement. If we do not exercise this right then outstanding monies may be owed when your policy is cancelled. All outstanding monies must be paid to Covéa Insurance as described in your Loan Agreement.

To exercise your right to cancel during the statutory cooling off period, please contact your intermediary.
