Your Right to Cancel the Policy

If after reading through your insurance policy you decide not to proceed with this insurance, you have the right to cancel back to the start of the period of insurance without giving any reason, providing your instruction to cancel is submitted to your Broker within 14 days of either:

- The date you receive the policy documentation, or
- The start of the period of insurance,
Whichever is the latter.

Providing no claim has been made we will refund your premium in full.

If you wish to cancel your policy after 14 days you can do so at any time by contacting your Broker.

- On policies where the annual premium has been paid in full a refund of premium will be calculated from receipt of this notice on a pro-rata basis, providing no incidents have occurred which give rise to a claim.
- On policies where the premium is paid by monthly payments the cancellation will take effect from the end of the period for which you have paid and therefore no refund will be due.

We can cancel your policy by giving you 30 days written notice at your last known address if:

- We have identified serious grounds (such as the use or threat of violence or aggressive behaviour against our staff, contractors or property)
- There is a change in risk occurring which increases the risk under your policy and which we are unable to insure
- You breach any terms and conditions of your policy
- There is a default in instalment payments due under any linked loan agreement

Where possible, we will try to seek an opportunity to resolve the matter with you.

This will not affect your right to make a claim for any event that happened before the cancellation date. If we cancel the policy we will refund premiums already paid for the remainder of the current period of insurance providing no claims have been made. .

How to make a Claim

Although **we** hope that **you** will never need to make a claim on **your** insurance policy, **we** have made everything as simple and straightforward as possible should **you** ever need to use **our** claims service.

When an accident happens, **you** should take any immediate action **you** think will to protect **your** property and belongings from further damage, such as switching off the gas, electricity or water.

If **you** need to make a claim under this policy, please contact **us** straight away by calling the claims helpline on:

0845 0000 825

To help **us** deal with **your** claim quickly **we** may require **you** to provide **us** with assistance and evidence that **we** require concerning the cause and value of any claim. Ideally, as part of the initial notification, **you** will provide:

- **Your** name, address, and **your** home and mobile telephone numbers
- Policy/Certificate number
- The date of the incident
- The cause of the loss or damage
- Details of the loss or damage together with claim value if known
- Names and addresses of any other parties involved or responsible for the incident (including details of injuries) and addresses of any witnesses.

This information will enable **us** to make an initial evaluation on policy liability and claim value. **We** may, however, request additional information depending upon circumstances and value which may include the following:

- Original purchase receipts, invoices, instruction booklets or photographs
- Purchase dates and location of lost or damaged property
- For damaged property, confirmation from a suitable qualified expert that the item **you** are claiming for is beyond repair.

In the majority of cases, **we** will be able to tell **you** whether **you** are covered and will tell **you** what **you** need to do next.

For some claims **we** or someone acting on **our** behalf may wish to meet with **you** to discuss the circumstances of the claim, to inspect the damage, or to undertake further investigations.

For **Buildings** claims, **we** have a network of authorised repairers ready to put things right. If **we** appoint an authorised repairer:

- They will make **your home** safe for **you**,
- If further work is required, they will arrange a convenient time to complete the work,
- **You** will not need to obtain estimates,
- **You** can be assured of the standard of the work.

For **Contents** or **Valuables** and **Personal Belongings** claims, if an authorised repairer or supplier is used:

- **We** will arrange for someone to repair or replace the damaged items,
- **You** can be assured of the standard of work.

- **You** must not admit liability, or offer or agree to settle any claim without our written permission.
- **You** must take care to limit any loss, damage or liability.

How we deal with your claim

We may need to get into a building that has been damaged to salvage anything **we** can and to make sure no more damage happens. **You** must help **us** to do this but **you** must not abandon **your** property to **us**.

You must not settle, reject, negotiate or offer to pay any claim **you** have made or intend to make under this policy without **our** written permission. **We** have the right, if **we** choose, in **your** name but at **our** expenses to:

Conditions that apply to Section 1 – Buildings only

1) How we deal with your claim

If your claim for loss or damage is covered under Section 1, we will pay the full cost of repair as long as:

- The Buildings were in a good state of repair immediately prior to the loss or damage, and
- The sum insured is enough to pay for full cost of rebuilding the Buildings in their present form and the damage has been repaired or loss has been reinstated.

We will take an amount off for wear and tear (from the cost of any replacement or repair) if immediately before the loss or damage, the Buildings were not in a good state of repair.

We will not pay the cost of replacing or repairing any undamaged parts of the Buildings which form part of a pair, set, suite or part of a common design or function when the loss or damage is restricted to a clearly identifiable area or to a specific part.

2) Your sum insured

Your Buildings should be insured for the full cost of rebuilding the Buildings in the same form, style and condition as new plus a amount for architects', surveyors, consulting engineers and legal fees, debris removal costs and other costs to comply with government or local authority requirements.

The most we will pay is the amount stated in the Schedule.

3) Underinsurance

If the cost of repairing the Buildings is more than your sum insured at the time of any loss or damage, then we will only pay a share of the claim. For example if your sum insured only covers one third of the cost of repairing your Buildings, we will only pay one third of the cost of the repair.

4) Maintaining the sum insured

After we have settled a claim, we will not reduce your sum insured on your Buildings, as long as you take the measures we suggest to prevent any further loss or damage.

We will not charge any extra premium for maintaining the sum insured.

5) Inflation Protection

The sum insured shown on your schedule will be adjusted in line with a recognised index. Please note that if we selected your sum insured for you, the sum insured shown on your schedule will not be adjusted.

No extra charge will be made for any increase until the renewal of the policy, when the renewal premium will be based on the adjusted sum insured and limits.

For your protection, we will not reduce your sum insured or limits if the index moves down unless you ask us to.
