Important Notice

Useful hints and tips to help you to protect your home

Please read this notice carefully as the advice it contains could help to prevent damage to your home. We are committed to supporting you with practical solutions to help you avoid some of the most common causes of damage.

- 1 If you leave your home unattended, leave the heating on low (around 15°C).
- 2 Know where the water shut-off valve (stopcock) is to isolate the supply in an emergency.
- 3 Lag pipes in the loft and check that the header and water tanks are insulated.
- **4** Lag outside water taps to prevent them freezing and pipes bursting.
- 5 In severe cold weather open the loft hatch to warm the void.
- **6** Plastic plumbing joints will probably degrade sooner than metal ones, so keep an eye out for the slightest hint of water.
- 7 If you are going to be away for an extended period, consider draining down your plumbing and heating system, but please do so with professional advice.

- 1 Regularly check the condition of all roofs. In particular check garage, shed and flat roofs for signs of wear and tear, as this is of particular importance in heavy snow with the unexpected additional weight.
- 2 Keep gutters, gullies and drains clear to carry water away quickly and efficiently.
- **3** A blocked downpipe with trapped rainwater may crack or shatter in freezing conditions.
- **4** Consider cutting back low hanging tree branches which could cause damage in high winds.

Please note: Buildings in sound condition will be able to cope with most weather conditions. Please remember insurance is not a maintenance contract and you are responsible for maintaining your property in a good state of repair.

- 1 Burglar Alarms; the sirenbox will act as a visual deterrent to some extent and dummy sirens can be purchased cheaply. Choose a system that lets off an alarm or one that dials a programmed number such as your mobile phone.
- 2 It is highly recommended that your external doors are strong, in good condition and secured to a high standard. Fitting a five lever mortice deadlock or extra sliding bolts will improve security. French doors should be fitted with top and bottom mortice locks on both doors.
- 3 Burglars often check convenient locations for a spare key. It is advisable to ensure that keys are not within easy reach of the letter box.

- 1 A properly functioning smoke detector will alert you in the early stages of a fire giving as much time as possible to make an escape. Test your detector regularly.
- 2 Avoid leaving candles left unattended or in a place likely to be knocked over.
- 3 It is advisable to have extinguishers in the home.
- **4** Do not fill a chip pan with more than one third of fat or oil. Do not place food in the pan if the fat or oil is giving off smoke.
- 5 Always switch off electric blankets before getting into bed. Make sure they have a safety check at least once every 3 years and contain a current safety mark.

Important notices

Please note that this home insurance policy is designed to insure your property against loss or damage. It does not cover the maintenance of your home.

That means we will not cover the cost of wear and tear or maintenance costs such as defective rendering, repointing chimneys or general roof maintenance.

We also do not cover damage that happens over time such as damp, rot or damage from vermin.

You should keep your property in good repair, and take reasonable steps to avoid loss or damage.

No claims discount

As long as a claim has not been made during the period of insurance immediately before your renewal, we will include any available discount in your renewal premium. You may not transfer this discount to any other person.

If a claim is made during the period of insurance, at renewal any available discount will be reduced or removed. This means that you may have to pay a higher renewal premium. In addition we may increase your excess from renewal.

Protection against fraud

Insurance fraud has an impact on both us and our customers, so we take certain measures to prevent it.

Fraud, misrepresentation and non-disclosure

A person is committing fraud if they or anyone else insured by this policy or acting on their behalf knowingly:

- · Provide answers to our questions which are dishonest, inaccurate or misleadingly incomplete
- Mislead us in any way for the purpose of obtaining insurance, or more favourable insurance terms, or a reduced premium or to influence us to accept a claim
- Make a fraudulent or false claim in full or in part:
 - by providing false information in order to influence **us** to accept a claim;
 - by exaggerating the amount of the claim; or
 - by supplying false or invalid documents in support of a claim.

How we deal with fraud to protect us and our customers

If **we** find that fraud has been committed **we** will have the right to:

- void the policy and may not refund any premium
- refuse to pay the whole of a claim if any part is in any way fraudulent, false or exaggerated
- recover any costs incurred by us, including investigation and legal costs
- recover the cost of any previously paid claims

In addition, we may:

- inform the police, which could result in prosecution
- inform other organisations as well as anti-fraud databases

House Guard Extra Policy

This is **your** insurance policy. It is a contract of insurance between **you** and **us**, and is made up of this booklet and **your schedule**. It is based on the statements and information **you** gave **us** or the information that was given on **your** behalf when **you** applied for the insurance. **We** used that information to assess the cover **we** would provide for **you** and to set the premium and policy conditions **we** need for that cover.

If you filled in a proposal form, we will send you a copy of it if you ask us to. If you did not fill in a proposal form, you should already have a copy of all the information you gave us. You must check this information carefully and let us know immediately if any part of the information you gave us is wrong.

You should read this policy booklet and your schedule together. Please check them carefully to make sure they give you the cover you want. You have 14 days from when you receive your policy documents or the commencement date of your policy, whichever is later, to write to us if you want to cancel your policy. This is known as a cooling-off period. If you cancel your policy during this period of time, provided you have not made a claim, we will refund your full premium, less an administration charge of £25 (subject to Insurance Premium Tax where applicable). If any claim has been made during the period of cover provided, we will also deduct the cost of any payments made from the refund due.

If your needs change or any of the information given on your proposal form or on a statement of insurance changes, we might need to alter the schedule. Under the policy conditions, you must tell us about any changes. We will update the contract every time we agree to an alteration. We will give you a new schedule each time we renew the contract or make an alteration. If you ask us to, we will send you a new policy booklet when you renew your policy.

We agree to insure **you** under the terms and conditions set out in this policy booklet and the sections shown in the **schedule** for loss, damage, injury or liability that happens during the **period of insurance**.

Claims under section 3 - Personal legal protection covers claims that are made during the **period of insurance**.

Your schedule tells you which sections of this policy booklet apply. Opposite each heading of cover on those pages you will find some exceptions that tell you what is not insured under that heading. There are also some general exclusions on page 15 that apply to all of the contract of insurance.

You agree to pay the premium and to keep to the conditions of the policy.

Thank you for choosing Ageas Insurance.

Policy conditions

1 Your contract of insurance

Your policy is based on the statement of insurance, or the proposal form and declaration, this policy booklet and the schedule.

When you arranged this insurance:

- you gave us information which is shown on the statement of insurance; or
- you signed a declaration on the proposal form to say that the information on the form and any other information you have given us is true and accurate as far as you know.

The insurance will not be valid if:

- any information you have given us is not true and accurate; or
- you do not keep to the conditions of the policy. You cannot make a claim if the insurance is not valid.

2 The law that applies

Unless we have agreed differently with you in writing, this contract will be governed by English law, and you and we agree to submit to the non-exclusive jurisdiction of the courts of England and Wales (unless you live in Jersey in which case the law of Jersey will apply and the Jersey courts will have exclusive jurisdiction).

3 Rights of third parties

Nothing contained in this contract gives anyone else any rights under the Contracts (Rights of Third Parties) Act 1999 or any legislation that amends the Act.

4 Changes

Your policy is based on the answers on the statement of insurance (or given on your proposal form). You must tell us of any changes to the answers you have given as soon as possible. Failure to advise of a change to your answers may mean your policy is invalid and claims may not be paid. In particular, you must tell us:

- if you change your address;
- if you, or any person named in your schedule, change job;
- if you or your family receive a county court judgement or conviction, or are prosecuted (except for motoring offences where a prison sentence has not been served);
- If you or your family have been declared bankrupt or been subject to bankruptcy proceedings.
- about any changes to your buildings that will increase the rebuilding costs;
- about any increase in the value of your contents or personal belongings;

- if someone other than a member of your family comes to live with you; and
- if your home will be unoccupied for more than 30 days in a row.

Please remember that if you do not tell us about changes, it may affect any claim you make. These changes may result in a change to your premium and/or excess. We will not request from you or refund to you, any difference in premium following a change being made to your policy during the period of insurance if it is less than £10.

5 Precautions

You must take reasonable care to:

- keep your home in a good state of repair; and
- avoid or limit any loss, damage or injury.

6 Security

If you live in certain areas, we may insist that you have high-security locks and, in some cases, an alarm system fitted. To reduce your premium, you may have told us that you have these locks or an approved alarm.

We will print an endorsement on your schedule showing the security measures you have told us are fitted, when you must use them and the cover that is excluded if you do not use them. If we have insisted that you have this security, but it is not fitted or you do not keep it in good working order, the cover under the policy will not be valid for theft, attempted theft or malicious damage.

7 Cancelling the policy and the cooling-off period

An administration charge of £25 (subject to Insurance Premium Tax) applies to all cancellations. You have 14 days from when you receive your policy documents or the commencement date of your policy, whichever is later, to write to **us** if **you** want to cancel **your** policy. This is known as a cooling-off period. If you cancel your policy during this period of time, provided you have not made a claim, we will refund your full premium, less the administration charge. If any claim has been made during the period of cover provided, we will also deduct the cost of any payments made from the refund due.

You may cancel your policy at anytime after the cooling-off period by telephoning or writing to us. As long as you have not made a claim, we will refund you for the time that was left on your policy, less the administration charge. If any claim has been made during the period of cover provided, you must pay the full annual premium and you will not be entitled to any refund.

Policy conditions - continued

We or anyone we authorise have the right to cancel this policy at any time by sending you fourteen days' notice in writing where there is a valid reason for doing so. We will send the notice to the last known address we have for you and we will set out the reason for cancellation in our letter. Valid reasons may include but are not limited to:

- · Changes to the information detailed on your proposal form or on a statement of insurance or schedule which may result in the risk no longer being acceptable to us.
- Where we suspect fraud on this or any other related policy.
- Where a misrepresentation has been made that means we no longer wish to provide cover.

As long as you have not made a claim, we will refund you for the time that was left on your policy, less the administration charge. If any claim has been made during the period of cover provided, you must pay the full annual premium and you will not be entitled to any refund. For cancellation of Section 3 - Personal Legal Protection, please see page 40 of your policy.

8 Other insurances

If you have any other insurance policies that cover the same loss, damage or liability as this policy, we will only pay our share of any claim.

9 Fraudulent claims

We will not pay for any claim that is in any way fraudulent or exaggerated, or if you or anyone acting for you uses fraud to get benefits under the policy. If you do, we will cancel the policy and we will not refund any premiums.

10 Data Protection Notice

Please refer to the Data Protection Notice on page 44, which contains important information about our use of your personal details.

Please make sure that you read the Data Protection Notice carefully.

By taking out this insurance policy, you confirm that we may use your personal information in this way. As the terms of the Data Protection Notice will also apply to anyone else insured under your policy, you should also show the Data Protection Notice to anyone else whose name you give to us in connection with your policy.

11 How to make a claim

If you are aware of an incident that might give rise to a claim or you need to make a claim, you must do the following as soon as possible.

Buildings and/or **Contents**

Call our claims helpline on 0845 122 3019 to report the incident.

- Tell the police as soon as reasonably possible if something is lost or if you suspect theft or malicious damage.
- · Take all practical steps to get back any property which has been lost.
- If we have asked you to fill in a claim form, send this back to us, with everything we have asked for, within 30 days of us sending it to you.

- Immediately send us any written claim which is made against you, and give us full details of any verbal claims made against you.
- Take reasonable action to protect the property from further loss or damage.

You must not:

- · throw away, get rid of or destroy any items that are damaged until we say so;
- admit or deny responsibility for any incident; or
- negotiate or settle any claims made against you by anyone else, unless we agree in writing that you can.

We can negotiate, defend or settle, in your name and on your behalf, any claims made against you. We can also take legal action in your name but for our benefit to get back any payment we have made under this policy.

Personal legal protection

If you or your family are claiming for legal protection, please phone 0845 120 8415 between the hours of 9am-5pm, Monday to Friday.

Under no circumstances should you or your family instruct a solicitor as we will not pay their costs and it could stop the claim from being covered.

- We will take details over the phone and send out a claim form which should be completed and returned.
- On receipt of the fully completed claim form we will assess the circumstances and make sure that the claim is covered. We cannot help if it is more likely than not that the dispute would be lost in court since it will not be possible to achieve the remedy being sought if that is the case.
- On acceptance of a claim we will arrange for a solicitor to quickly contact you or (your family) to progress the case. The solicitor will try to resolve the dispute without delay however matters cannot always be resolved quickly if the other side is slow to co-operate or a legal time table is decided by the courts.

12 How we will settle your claim

When settling your claim we have the following options available to **us** and **we** will decide which is most appropriate:

- Repair
- Replace
- Rebuild
- Payment

We may offer to repair, replace or rebuild any loss or damage through one of our approved suppliers, however, should you prefer to use your own supplier you may, providing you agree this with us beforehand. Should you use your own supplier, any payment made would not normally exceed the discounted amount we would have paid our approved supplier. All our repairs are guaranteed for one year.

If we decide it is not appropriate to repair, rebuild or replace your buildings and/or contents, we will send you a payment representing:

- the amount by which the buildings and/or contents has gone down in value as a result of the claim; or
- the estimated cost to repair, replace or rebuild your buildings and/or contents;

whichever is the lowest.

Where **we** can offer repair or replacement through a preferred supplier but **we** agree to pay a cash settlement, then payment will not exceed the discounted replacement price **we** would normally pay.

If **you** make a claim, **we** may ask for evidence that **you** own the item **you** are claiming for.

If we pay a claim for the same cause happening at the same time under more than one of the buildings, contents or personal possessions sections, we will only take off one excess.

This will be the highest **excess** shown in **your schedule** for the sections concerned.

Important

You must make sure that the maximum claim limit is accurate.

- Under section 1 Buildings, the maximum claim limit
 must be enough to fully rebuild your home, including the
 cost of demolishing any existing structures (if needed) and
 removing debris.
- Under section 2 Contents, the maximum claim limit
 must be enough to replace all the contents of your home
 with new items of the same or nearest equivalent quality
 and type.
- For specified items of personal belongings, high-risk property or any other specified item, the amount shown on the schedule must be enough to replace the item as new.

When an **incident** happens:

- if the maximum claim limit under any section is less than the current cost of replacing, repairing or rebuilding the property as new; or
- if any amount shown in the schedule for personal belongings, high-risk property, pedal cycles or any other specified item is less than the current cost of replacing the item as new;

we may apply the following:

Buildings

If, at the time of any loss or damage, the **buildings** sum insured is not enough to reconstruct your buildings **we** will proportionally reduce the amount of any claim payment made by the percentage of under payment of premium which has arisen as a result of the shortfall in the sum insured. For example, if the premium **you** have paid for **your** buildings insurance is equal to 75% of what your premium would have been if **your buildings** sum insured was enough to reconstruct **your buildings**, then **we** will pay up to 75% of any claim made by **you**.

If however the correct sum insured is shown to exceed **our** acceptance terms and criteria **we** may refuse to pay **your** claim.

Contents

If, at the time of any loss or damage, the **contents** sum insured is not enough to replace the entire **contents** of **your** home as new, **we** will proportionally reduce the amount of any claim payment made by the percentage of under payment of premium which has arisen as a result of the shortfall in the sum insured. For example, if the premium **you** have paid for **your** contents insurance is equal to 75% of what **your** premium would have been if **your contents** sum insured was enough to replace the entire **contents** of **your** home as new, then **we** will pay up to 75% of any claim made by **you**.

If however the correct sum insured is shown to exceed **our** acceptance terms and criteria **we** may refuse to pay **your** claim.

Matching pairs or sets

We treat each separate item of a matching pair or set, or set of furniture, sanitary suite or fittings, soft furnishings or other fixtures and fittings, as a single item. We will only pay for lost or damaged items. We will not pay for the cost of replacing, recovering or remodelling undamaged pieces, or pieces which have not been lost or damaged, just because it forms part of a set, suite or one of a number of items similar in nature, colour or design. If an item in a set is lost or damaged, the other pieces of the set may lose some value, even if they have not been physically damaged themselves. This loss of value is not covered by the policy.

Matching carpets

If **you** have a matching carpet or other floor covering in more than one room or area, **we** treat each room or area as separate. **We** will only pay for the damage to the carpet or floor covering in the room or area where the damage happened.

Buildings section

If **you** keep **your buildings** in good repair, **we** will pay the cost of repairing, replacing or rebuilding the **buildings**, but **we** will take off an amount (if appropriate) for wear and tear if **you** claim for:

- flat or felt roofs; or
- · gates or fences damaged by falling trees.

Protecting sums insured

The **maximum claim limit** under the **buildings** and **contents** sections will not be reduced if **you** make a claim.

13 Your policy

Your policy is based on the answers you gave about yourself which allowed us to assess the chance of you suffering a loss, based on statistics that we have gathered over many years. The information allowed us to decide what premium to charge you and what conditions should apply to your cover. If any of the answers were incorrect or have changed and you have not received our written agreement to the change or extra information, your policy may not be valid. If the policy is not valid, you cannot make a claim. If you are in any doubt as to whether a piece of information is relevant, please ask us. We will be happy to give advice.

As a guide, here are a few examples. The list does not cover all possible changes.

Example a

The contract of insurance covers **you** if **your home** is **unoccupied** for up to 30 days in a row. **You** have told **us** that **your home** will not be left **unoccupied** for more than 30 days in a row. If this changes and **your home** will be left **unoccupied** for longer than 30 days in a row, **you** must tell **us**. If the **home** is left **unoccupied** for more than 30 days, the chances of a loss arising increase and any damage is likely to be greater than it would be if the property was occupied. So, **our** assessment of the risk would be different for an **unoccupied** property.

Example b

The property covered by this policy is shown in **your schedule** of insurance. If **you** change **your** address, this may influence the premium or the cover **we** are prepared to provide. **You** may

Policy conditions - continued

need to have a higher level of security, for example, special locks are a condition for cover in some areas of the country. So, a change of address is a fact you should report to us before you move.

14 Index-linking

If you have requested a specific sum insured amount for buildings or contents cover on which to base your premium, we will change the maximum claim limit each month. We will assess it each year on the renewal date. The change will be in line with the published Consumer Durables Index for contents cover and the House Rebuilding Cost Index for buildings. The amended maximum claim limit and the renewal premium will be shown in your renewal notice. We will not reduce these limits if an index value reduces unless you ask us to do so. Index-linking the buildings maximum claim limit will continue during replacement or repair following a loss or damage as long as the replacement or repair is carried out without unnecessary delay.

If you have not requested a specific sum insured amount for buildings or contents index linking will not apply.

15 Language

The contractual terms and conditions and other information relating to this contract will be in the English language.

16 Lapsed policy warning

In some situations (for example, if you live in an area likely to flood) if you decide not to renew your policy with us, you may find it difficult to arrange alternative cover or start a new policy with us at a later date. To avoid any breaks in your cover, you should make sure your new insurance application has been accepted before your current policy expires.

Policy exclusions

The policy does not cover the following.

You must also allow us to pursue at our own expense and for our own benefit, any claim for compensation against any other person and you must give us all the information and help we need to do so.
