We don't hide behind jargon. To help you understand everything we say, here are the explanations of the key words we have used.

The following defined words are printed in bold type and the meanings of these words are set out below.

What we can cover you for

We will insure **you** against loss of or damage to **your car** caused by:

- fire (if the policy cover is shown as comprehensive or third party, fire and theft in the schedule); or

You will have to pay the repairer the total **excess** as shown in **your schedule**.

Any repairs carried out by **our** approved repairer are guaranteed as long as **you** still own **your car**.

This cover will not apply if **we** are unable to trace the person responsible for the accident.

Important to note

To claim under this section **you** must provide **us** with the responsible person's vehicle registration number, vehicle make and model and, if possible, their name, address and phone number.

We'll protect you from uninsured drivers . . .

We don't think it's right that **you** should be out of pocket by paying an **excess** and losing **your** no-claims bonus if **you** are involved in an accident caused by an uninsured driver.

Your other insurance benefits

Your other insurance benefits

Section 9: Child car seats

What we can cover you for

You must provide a receipt for the original child car seat before **we** will make this payment.

Benefits you receive

Child car seats

We will pay up to £100 per child car seat to cover the cost of replacing them.

Driving your car and its cover

Section 10: Foreign travel

Your policy provides the minimum cover **you** need by law for civil liability to other people while **your car** is used in: Austria, Belgium, Bulgaria, Croatia, Republic of Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Iceland, Liechtenstein, Norway, Monaco, Gibraltar, San Marino, Switzerland and Andorra.

The minimum insurance cover will apply to any other country which the European Commission is satisfied has made arrangements to meet the requirements of Article (8) of EC Directive 2009/103/EC relating to civil liabilities arising from the use of motor vehicles.

If the minimum insurance needed by law in Great Britain is higher than the minimum needed in the country where **your car** is being used, **we** will provide the minimum insurance needed in Great Britain.

Benefits you receive

Compulsory insurance cover outside the territorial limits

You have the minimum motor insurance cover needed by law (third party only) to protect **you** against any legal liability when driving abroad in the countries described above.

Your other insurance benefits

Section 10: Foreign travel

Full policy cover – Driving your car abroad with comprehensive cover

What we can cover you for

Your policy automatically provides the cover shown on **your schedule** for up to 90 days if **your** cover is comprehensive and up to 35 days if **your** cover is third party, fire and theft within the **period of insurance** while **you** are using **your car** in the countries described in this section, as long as:

- **your car** is taxed and registered in the **territorial limits**;
- **your car** is normally kept in the **territorial limits**; and
- **you** have a permanent home in the **territorial limits**.

If **you** permanently live in Northern Ireland, **you** have foreign use cover as shown on **your schedule** which is extended for up to 365 days in the Republic of Ireland only.

Your policy provides cover while **your car** is being transported by rail or a recognised sea route (including while it is being loaded and unloaded) between any countries in which this policy provides cover, as long as:

- **you** are travelling with **your car**;
- the total time taken to transport **your car** is not more than 65 hours (including any stopovers during the journey); and
- the purpose of transporting **your car** is not to permanently export it.

Benefits you receive

Full policy cover outside the territorial limits

You can use **your car** in the countries listed under this section for up to 90 days if **your** cover is comprehensive and up to 35 days if **your** cover is third party, fire and theft in any one **period of insurance**.

What we can't cover you for

- Anything which is not covered under section 1 and 2 of this policy is not covered under this section.
- This section does not cover **you** to drive other cars.

Your other insurance benefits

Section 11: Personal accident benefits

What we can cover you for

We will pay £5,000 if **you** or **your husband, wife** or **civil partner** is accidentally killed or suffers an injury described below while travelling in, or getting into or out of, **your car** or any private motor car.

If you or **your husband, wife** or **civil partner** dies – £5,000

If **you** or **your husband, wife** or **civil partner** suffers an injury (see below):

- total and permanent loss of sight in one or both eyes – £5,000
- total and permanent loss of use of one or both hands or one or both feet – £5,000

What we can't cover you for

We will not pay the benefit if the injury or death:

- is the result of suicide or attempted suicide;
- happens when the person killed or injured is under the influence of alcohol or drugs;
- happens as a result of someone not wearing a seat belt when they have to by law; or
- happens more than three months after the date of the accident or is not a direct result of the accident.

We will not pay the benefit if the injury is not listed above.

We will not pay the benefit if **you** are a company or firm.

We will not pay more than £5,000 in any one **period of insurance**, and **we** will not pay more than £5,000 for a single accident, even if the person killed or injured in the accident is insured under more than one policy with **us**.

Your other insurance benefits

Section 12: Medical expenses

If you have any medical expenses to pay following an accident

What we can cover you for

We will refund medical expenses for each injured person if **you** or anyone in **your car** is injured as a result of an accident involving **your car**.

Benefits you receive

Medical expenses

We will pay up to £100 for each injured person.

What we can't cover you for

You must provide a receipt or invoice before **we** will give **you** a refund for medical expenses.

Medical expenses can be confusing so let's explain this further

Following an accident **you** may have to pay for emergency treatment and prescriptions. This section covers **you** up to £100 for these costs.

Excesses

What you need to pay if you make a claim

If **your car** is lost, stolen or damaged, **you** must pay the **excess** shown in **your schedule** as the first part of **your** claim. More than one **excess** can apply to **your policy**. **You** must pay the **excesses** that apply regardless of whether or not **you** were responsible for the accident or loss, unless **you** are claiming under section 6 – Replacement locks or under section 7 – Uninsured driver protection.

Another **excess** will also apply if the driver of **your car** is aged 24 or under or has held a full driving licence for less than 12 months. This **excess** will be shown in **your schedule**.

You will need to pay **your excess** to the repairer once the repairs are completed or **we** will deduct the **excess** from any settlement payment **we** make to **you**.

Important to note

No-one really likes paying **excesses** but they form part of **your** insurance contract and can have a direct effect on the premium **you** pay.

If **you** choose to pay a voluntary **excess**, please be aware that you will have to pay this on top of any other **excess** as shown on **your schedule**. This will mean **you** will have to pay a higher **excess** if **you** need to make a claim.

Your no-claims bonus

How your no-claims bonus works

If **you** make a claim, even if **you** were not responsible (for example, if **your car** is stolen or damaged by vandals) this will affect **your** no-claims bonus. **You** could lose part or all of **your** no-claims bonus. If **you** make a claim, **we** may also increase **your** premium or **excess** when **you** renew **your** policy.

We will not reduce **your** no-claims bonus if the damage to **your car** was caused by an uninsured driver (as long as the conditions set out in section 7– Uninsured driver protection, are met).

We apply a step-back policy that reduces **your** no-claims bonus for each claim made when **you** renew **your** policy, depending on the claim or claims made. For an example of what would happen. If **you** made a claim within the **period of insurance**, please see the table below.

Example – how your no-claims bonus (NCB) would be affected at renewal if you made a claim or claims during the period of insurance

Number of years' no-claims bonus currently available (without NCB protection)	No-claims bonus at the next renewal (without NCB protection)		
	No claims	One claim within the policy period	Two or more claims within the policy period
0	1	0	0
1	2	0	0
2	3	0	0
3	4	1	0
4	5	2	0
5	6	3	0
6	7	4	0
7	8	5	0
8	9	6	0
9	10	7	0

Note: In the table above a claim is where **we** have made payment for any loss, damage or injury to a third party or where any costs paid for damage to **your car** cannot be, or have not yet been, recovered.

Your no-claims bonus

If you have chosen to protect your no-claims bonus

Protecting **your** no-claims bonus allows **you** to make a claim without **your** no-claims bonus being reduced.

If **you** have chosen to protect **your** no-claims bonus this will be shown on **your schedule**, and **you** will only lose **your** no-claims bonus if **you** make more than two claims in a five-year period. If somebody makes a claim, **we** may also increase **your** premium or **excess** when **you** renew your policy.

The table below shows how **your** no-claims bonus would be affected if **you** made a claim or claims and **you** have chosen to protect **your** no-claims bonus.

Example – how your protected no-claims bonus would be affected at renewal if you made a claim or claims during the period of insurance

Number of years' no-claims bonus currently available (with NCB protection)	No-claims bonus at the next renewal (with NCB protection)			
	No claims	One claim within the policy period	Two claims within the policy period	Three claims within the policy period
4	5	4	4	2
5	6	5	5	3
6	7	6	6	4
7	8	7	7	5
8	9	8	8	6
9	10	9	9	7

Note: In the table above a claim is where **we** have made payment for any loss, damage or injury to a third party or where any costs paid for damage to **your car** cannot be, or have not yet been, recovered.

If **you** have a minor incident with another person, but **you** are not claiming for the damage or loss to **your car**, another person may still make a claim against **your** policy. In these circumstances **we** may not allow **your** no-claims bonus until **we** are confident no claim will be made.

Cancelling your policy

If you cancel the policy

If **you** want to cancel the policy within 14 days of buying it or receiving **your** documents (whichever happens later), **we** will refund the premium for the exact number of days left on the policy, less an administration charge of £10 plus Insurance Premium Tax at the rate that applies at the time, unless **you** have made a claim in which case **we** will not refund any premiums. **We** will also do this if **you** want to cancel the policy within 14 days after the renewal date. If **you** choose not to renew **your** policy, **you** will not be charged for the renewal period, providing **we** receive **your** cancellation instructions before **your** renewal is due.

You may cancel the policy at any other time by letting **us** or **your** broker know. If **you** have paid for **your** insurance in full, by a single payment, and if no claim has been made or is anticipated in the current **period of insurance**, **we** will refund the exact number of days left on **your** policy less an administration charge of £32 plus Insurance Premium Tax at the rate that applies at the time.

If **you** have chosen to pay **your** annual premium by instalments **you** must continue to pay **your** monthly direct debit. If no claim has been made or is anticipated in the current **period of insurance**, **we** will refund any over payment less an administration charge of £32 plus Insurance Premium Tax at the rate that applies at the time.

When we or your broker may cancel the policy

We, or **your** broker may cancel the policy by sending **you** seven days' written notice to **your** last known address if **we** or **your** broker have a good reason for doing so. Some examples of situations where **we** or **your** broker might do this include:

- **you** not paying a premium when it is due;
- **you** not providing proof of no-claims discount or security;
- **you** providing **us** with incorrect information, and failing to put this right when **we** ask **you** to.

If **we** or **your** broker cancel **your** policy at any other time, **we** will refund the premium for the exact number of days left on the policy (if this applies), less an administration charge of £32 plus Insurance Premium Tax at the rate that applies at the time. If a claim has been made in the current **period of insurance**, **we** will not refund any part of **your** premium.

If **we** or **your** broker cancel **your** policy on the grounds of fraud, cancellation may be immediate and **we** may keep any premium **you** have paid. **We** may also inform the police of the circumstances.

General exclusions

When we really can't cover you

This policy will not provide cover or benefits under the following circumstances

We will not pay for any loss, damage or liability which arises while **your car** is being:

- used for a purpose which is not allowed by the current **certificate of insurance** (racing for example);
- driven by, or is in the charge of, a person who has **your** permission to drive and who is not an insured driver (anyone not named on the policy);
- driven by a person who does not hold a driving licence, unless the person has held and is not disqualified from holding or getting a licence (the person driving the car must be legally entitled to do so);
- driven by a person who is not keeping to the conditions of the driving licence they hold or are entitled to hold (for example, someone driving a car on a provisional licence without having a qualified driver with them);
- driven by a person who has previously been disqualified from driving and has not reapplied for and received their licence from the issuing authority;
- used to take part in a crime (unless **your car** has been stolen);
- used in a place utilised for aircraft taking off, landing, parking or moving including airport service roads that the general public are not allowed to use;

- used in a race, speed trial, rally, track day or similar motor sporting event, or used in any connection with any event at the Nurburgring; or
- used in an unsafe or un-roadworthy condition or without a valid MOT (where one is required)

We will not pay for any loss, damage or liability which is the direct or indirect result of the following.

- War, revolution or any similar event.
- Actual or threatened terrorism or any similar event, or action to control, prevent or stop any terrorist event.

(Terrorism is any illegal action involving violence, force or danger to people or property that appears to be intended to:

- cause fear among the people of a country or state;
- disrupt any part of the economy of a government, country or state; or
- affect the policy or conduct of a government.)

- Earthquake, riot or civil disturbance outside Great Britain, the Isle of Man or the Channel Islands.
- Ionising radiation or radioactive contamination from any nuclear fuel or from nuclear waste.
- The radioactive, poisonous, explosive or other dangerous properties of any explosive nuclear equipment or any part of it.

What is an exclusion?

Exclusions list specific events, circumstances or situations where **we** do not provide cover for certain loss, damage or liability. Exclusions protect **us**, the insurance company, from unreasonable risk, and apply to all of the policy sections.

General exclusions

When we really can't cover you

- Pressure waves caused by aircraft or other flying objects travelling at or above the speed of sound (this normally affects people who live in close proximity to airports or military bases).
- Anything harmful contained in any goods or property being towed by, carried on, supplied from, loaded on, or unloaded from **your car**.
- Any harmful or incorrect medical treatment or help given at or from **your car**.

However, **we** will provide the cover needed under the **Road Traffic Acts** for the events shown above.

We will not pay for any legal liability which arises under a contract or agreement unless the person, company or firm claiming cover under this policy would have had that liability if the contract or agreement had not existed.

We will not pay for any loss, damage or liability for which legal proceedings have been brought or judgement given in a court outside the United Kingdom, unless the proceedings or judgement are in a foreign country because **your car** was being used in that country and **we** had agreed to provide insurance in that country.

We do not cover any loss, damage or liability arising from an incident if **you** or anyone insured under the policy is convicted of driving while under the influence of alcohol or drugs. **We** have the right to recover from **you** any amounts which **we** pay before such conviction or which **we** are required to pay by law.

General conditions

Please make sure you read this page

Your duty

We will only provide the insurance cover set out in this policy if:

- **you** keep to the conditions of the policy; and
- the **statement of fact** does not contain any fact or declaration which is not true to the best of **your** knowledge or belief, and **you** have told **us** about any circumstances that are likely to affect **our** decision to accept **your** application for insurance cover.

Changes in circumstances

You must tell **us**, as soon as possible, about any change in circumstances as this could affect **your** insurance cover.

Examples of these changes are:

- any changes to **your car**, including engine modifications and changes such as fitting alloy wheels, spoilers or skirts;
- any problem to do with the health of any person who will drive **your car**;
- a motoring accident, insurance claim, motoring conviction or fixed penalty offence involving any person who will drive **your car**;
- a change in ownership of **your car**;
- a change in use of **your car**;
- if any **insured driver** changes jobs;
- changes to **your** address or the address where **your car** is usually kept; and
- changes to the number of vehicles owned or regularly driven by **you** or by members of **your** family who live with **you**.

If a person whose details **you** have not already given **us** is likely to drive **your car**, **you** must give **us** their full details.

Please note that if **you** or **we** make any changes to **your** policy before the renewal date, **you** may have to pay an administration charge or an extra premium (or both). Please speak to **your** insurance broker or other person acting on **our** behalf, if **you** want to make a change to **your** policy before renewal. They will be able to confirm any charges.

Please tell **us**, as soon as possible, if there are any changes to any of the details **you** have provided **us** with, that are shown on **your statement of fact**.

Other insurance

If any other insurance policies cover the same loss, damage or liability as this policy, **we** will only pay **our** share of the amount of the claim.

Taking care of your car and any trailer or caravan towed by your car

You must take all reasonable steps to prevent loss of or damage to any vehicle insured by the policy and to keep **your car** and any trailer or caravan towed by **your car** in a safe and roadworthy condition. **We** may examine the vehicle, trailer or caravan at any time.

Our right to recover a payment from you

If **we** have to settle a claim under the law of any country and **we** would not have paid that claim under the terms of the policy, **we** can recover from **you** the amount of any payment **we** have had to make.

Fraud

We will not pay for any claim **you** make that is dishonest or exaggerated, or if **you** or any **insured driver** makes a false statement or provides false documents to support a claim. If this applies, **we** may also tell the police and **your** policy may be cancelled, as shown under 'Cancelling **your** policy' on page 32.

General conditions

Please make sure you read this page

Claims procedure

After any loss, damage or accident, **you** and any person insured by this policy must:

- report the incident to **us** as soon as possible by phoning **our** Claims Helpline on 0330 024 2240.
- give **us** all the information and help that **we** ask for, including details of anyone else involved;
- send **us** every letter, claim, or legal document immediately without answering it; and
- tell **us** immediately if there is to be a prosecution, inquest or other court proceedings.

Defending or settling a claim

You must not admit liability for any loss or damage, or make any offer to pay any claim. **We** are entitled to decide exactly how to carry out any legal proceedings or settle any claim and to:

- take over and defend or settle any claim in the name of any person, company or firm insured by the policy; and
- take legal action in **your** name, or in the name of any person, company or firm insured by the policy, to get back any payment **we** make.

Car sharing

This policy does not insure anyone to use **your car** for hire or reward. However, if passengers in **your car** make a payment towards the cost of a journey, **we** will not class this as use for hire or reward if:

- **your car** is not designed or adapted to carry more than seven people including the driver;
- the passengers are not being carried in the course of the business of carrying passengers; and
- the total of the payments made by all the passengers does not include a profit.

Service and repair

This policy will continue to provide insurance cover for **you** under policy section 2 while **your car** is with motor traders or their employees being serviced or repaired. (**We** will ignore any restriction in use on **your certificate of insurance** which excludes use for motor-trade purposes under these circumstances.) However, the insurance cover for other people, companies or firms referred to in section 2 will not apply. Other sections of the policy which apply for the type of cover shown in **your schedule** will also continue to apply if **your car** is being driven by an **insured driver** or is not being driven at the time of the incident.

Paying your premium

If **you** have not paid the full premium for the whole **period of insurance** and **you** make a claim under this policy, **we** may deduct the amount of premium **you** still owe from the amount **we** pay to settle the claim.

Renewing your policy

We may automatically renew **your** policy on the renewal date. If **we** do this, **we** will write to **you** before the renewal date with details of the renewal terms. If **you** pay **your** premium by direct debit, **we** will continue to take payments from **your** bank account for the renewal premium. If **you** do not want to renew, **you** must tell **your** broker or **us** before the renewal date. **We** will then refund any payment **we** have taken for the renewal premium. If **you** do not want to renew, but **you** only tell **your** broker or **us**, after the renewal date, **we** will work out the refund as though **you** had cancelled the policy as shown in Cancelling **your** policy.
