

## **Flood Questionnaire**

### **1. Has any part of the property or grounds ever flooded?**

If Yes, please provide details:

- A) Date of Flood:
- B) Amount of Loss
- C) Circumstance of Loss

**2. Please provide any flood prevention measures taken including any flood defence(s) that you have installed at your property:**

**3. If preventative action was taken and/or flood defences installed was this under guidance from flood specialists?**

**4. Has the area within a 100m radius of the property ever flooded?**

**5. Have you registered for the 'Flood Warning Direct' service from the Environment Agency?**

**6. Has the area within a 100m radius of the property ever been subject to a flood alert?**

**7. What is the height of the property in relation to any potential source of flood?**

**8. What is the distance of the property in relation to any potential source of flood?**

**9. Other than any defences installed in your particular property, are any other flood defences present?**

**10. Is the area subject to a flood defence review?**

**11. How long have you lived at the property?**

This questionnaire and the information provided in connection therewith contain statements upon which underwriters will rely on deciding to accept this insurance.
