HOME INSURANCE POLICY SUMMARY

This document consists of your Policy Summary and other key information you need to know about the insurance. It does not contain full details of the terms and conditions of the Policy which can be found in your Policy booklet. Please read the Policy booklet carefully when you receive it and keep it for your future reference.

If you have any questions about this Policy Summary please contact your insurance adviser.

Important Information

You must comply with the conditions of the Policy for your cover to apply. These are shown under Important Information, General Information, General Conditions and Claims Conditions at the front of the policy booklet. These conditions include, but are not limited to, taking reasonable care to prevent loss and limit damage as well as action you must take as soon as you are aware of a possible claim.

Each section of the Policy contains exclusions applying to your cover and you must also refer to the General Exclusions at the front of the booklet to read and understand the exclusions that apply to the entire Policy. In addition to these your Policy Schedule will detail any special exclusions or limitations applying only to your policy. These are described on your Policy Schedule as Endorsements.
