Cancellation by you during the cooling off period - If your policy duration is at least one calendar month, this insurance provides you with a cooling-off period to decide whether you wish to continue with the full policy. The cooling-off period is for 14 days from the date you receive your policy documentation.

If a period of less than 14 days has elapsed since you received your policy documentation, you have the right to cancel the policy and receive a refund of the premium you have paid:

- If at the date of cancellation your policy has not yet commenced, you will receive a full refund of the premium you have paid from us; or
- If your policy has already commenced, you will receive a refund of premium from us, equivalent to the unexpired period of cover on a pro rata basis, as long as you have not made or been involved in an incident which may give rise to a claim.

Cancellation by you after the cooling off period – Beyond the above 14 days period, where cancellation is effected by you, we will allow a refund of premium equivalent to the unexpired period of cover on a pro rata basis, as long as you have not made or been involved in an incident which may give rise to a claim.
